Hi-3861 模块

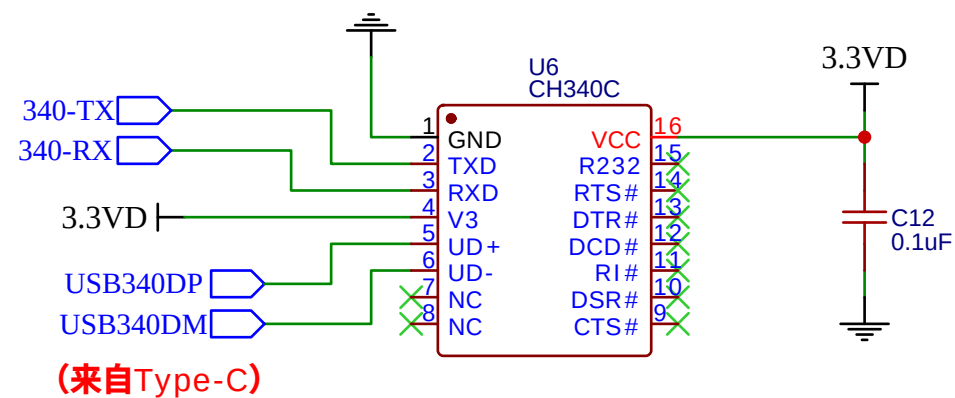

复位电路

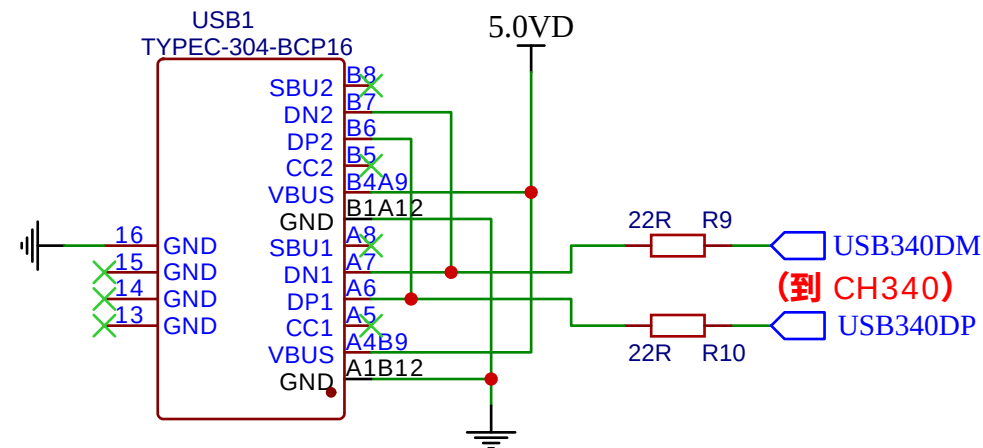

巡线模块双接线

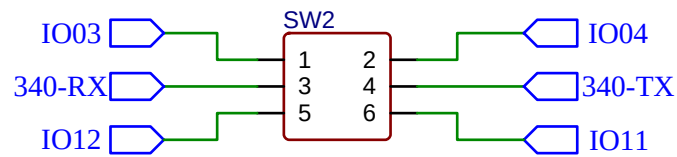

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

USB转串口

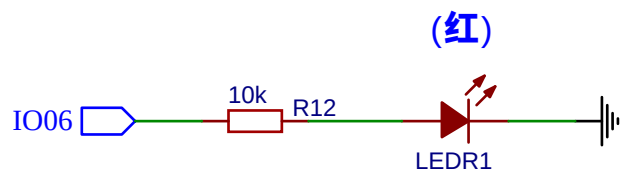

TYPE-C接口(外壳单点接地)

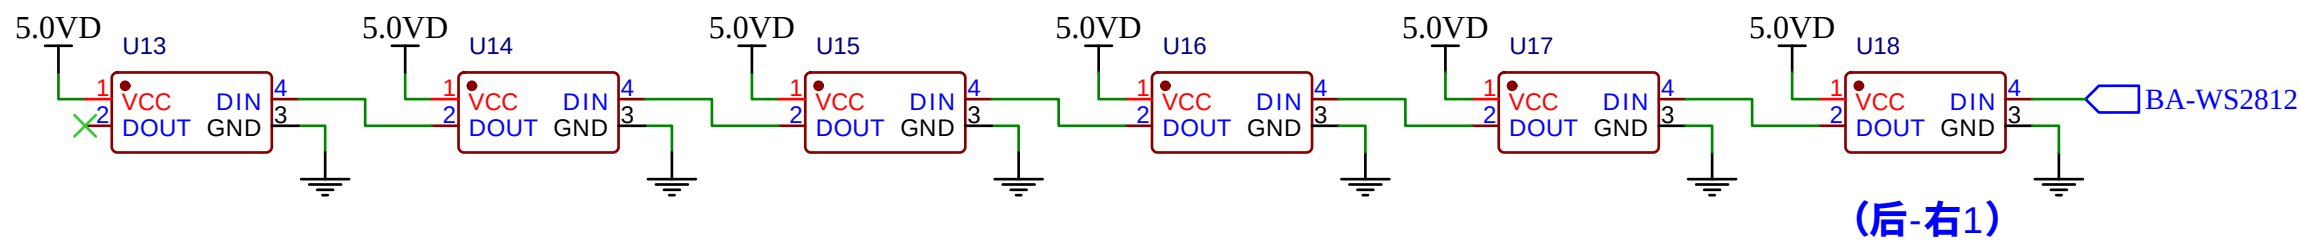

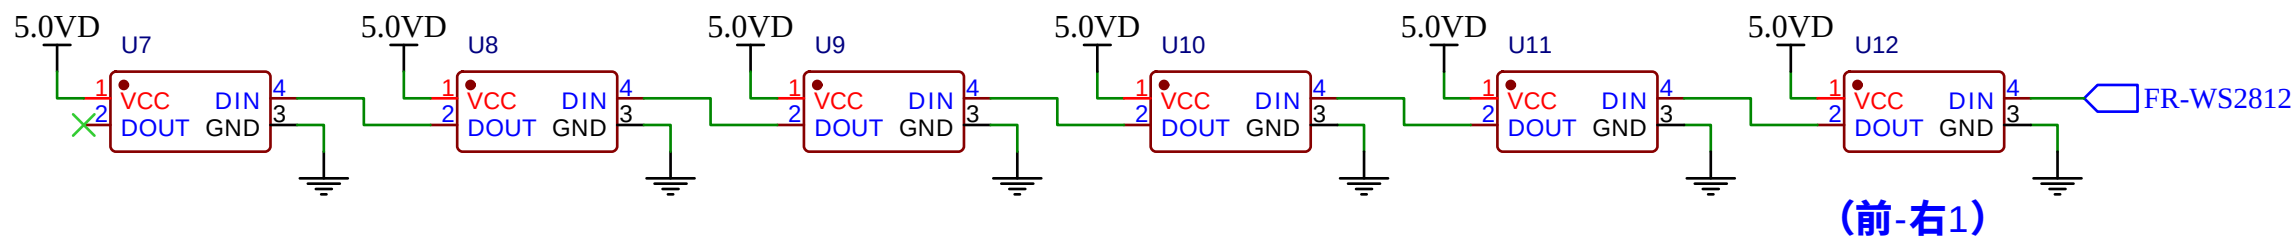

USB 串口切换

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

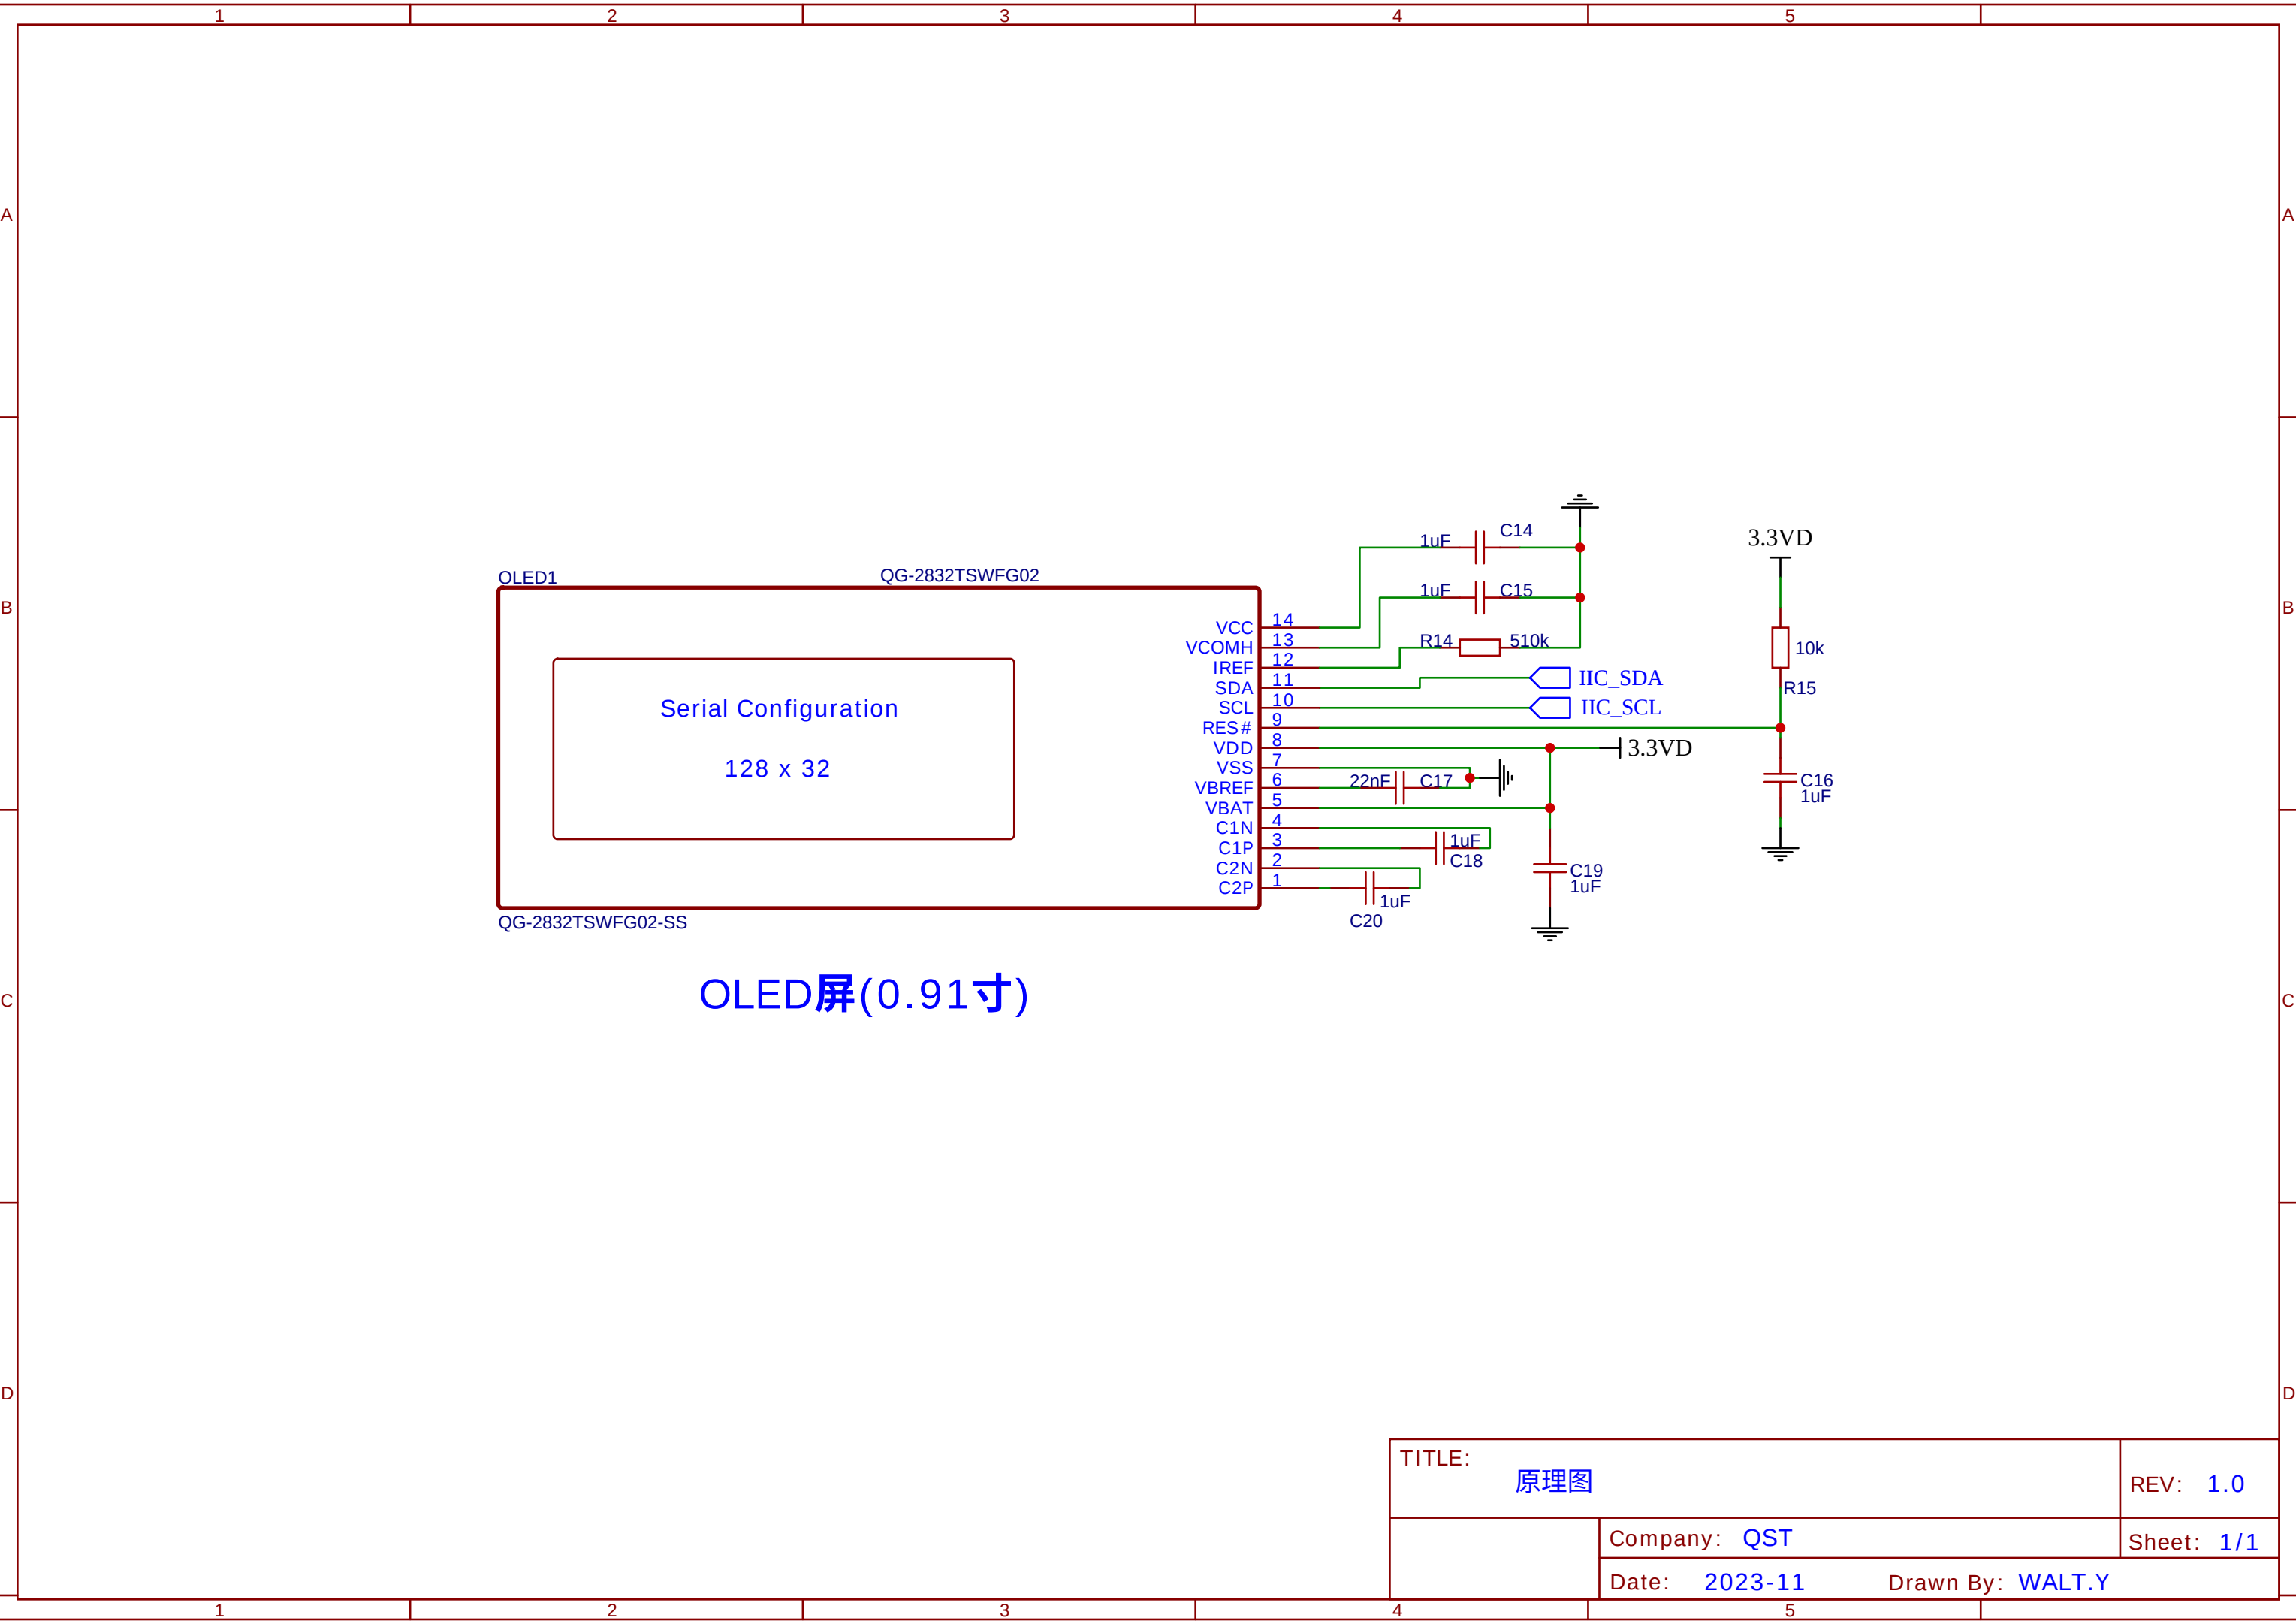

LED

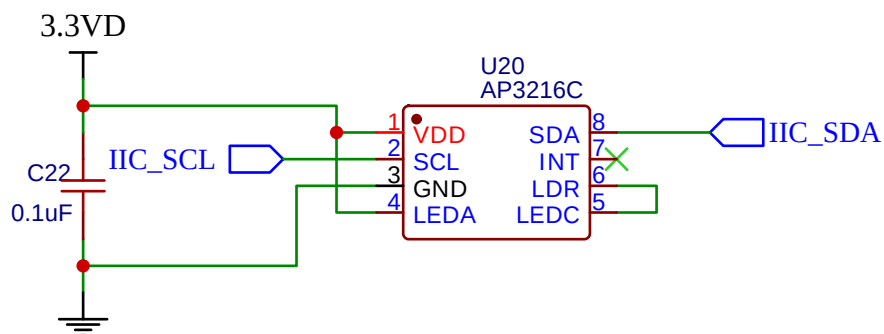

车前后共12个灯WS2812

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

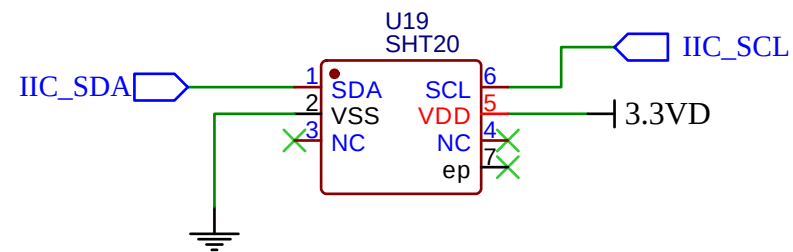

OLED屏(0.91寸)

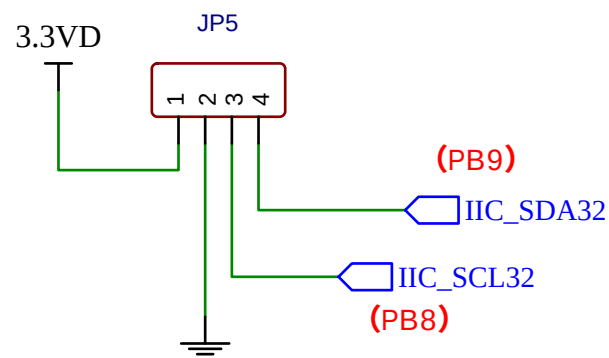

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

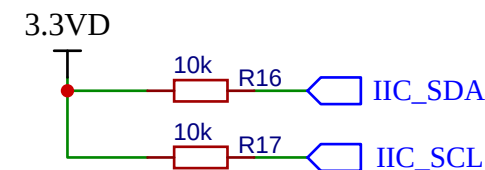

环境光传感，接近传感器（0x1E）

温湿度传感器 SHT20（0x40）

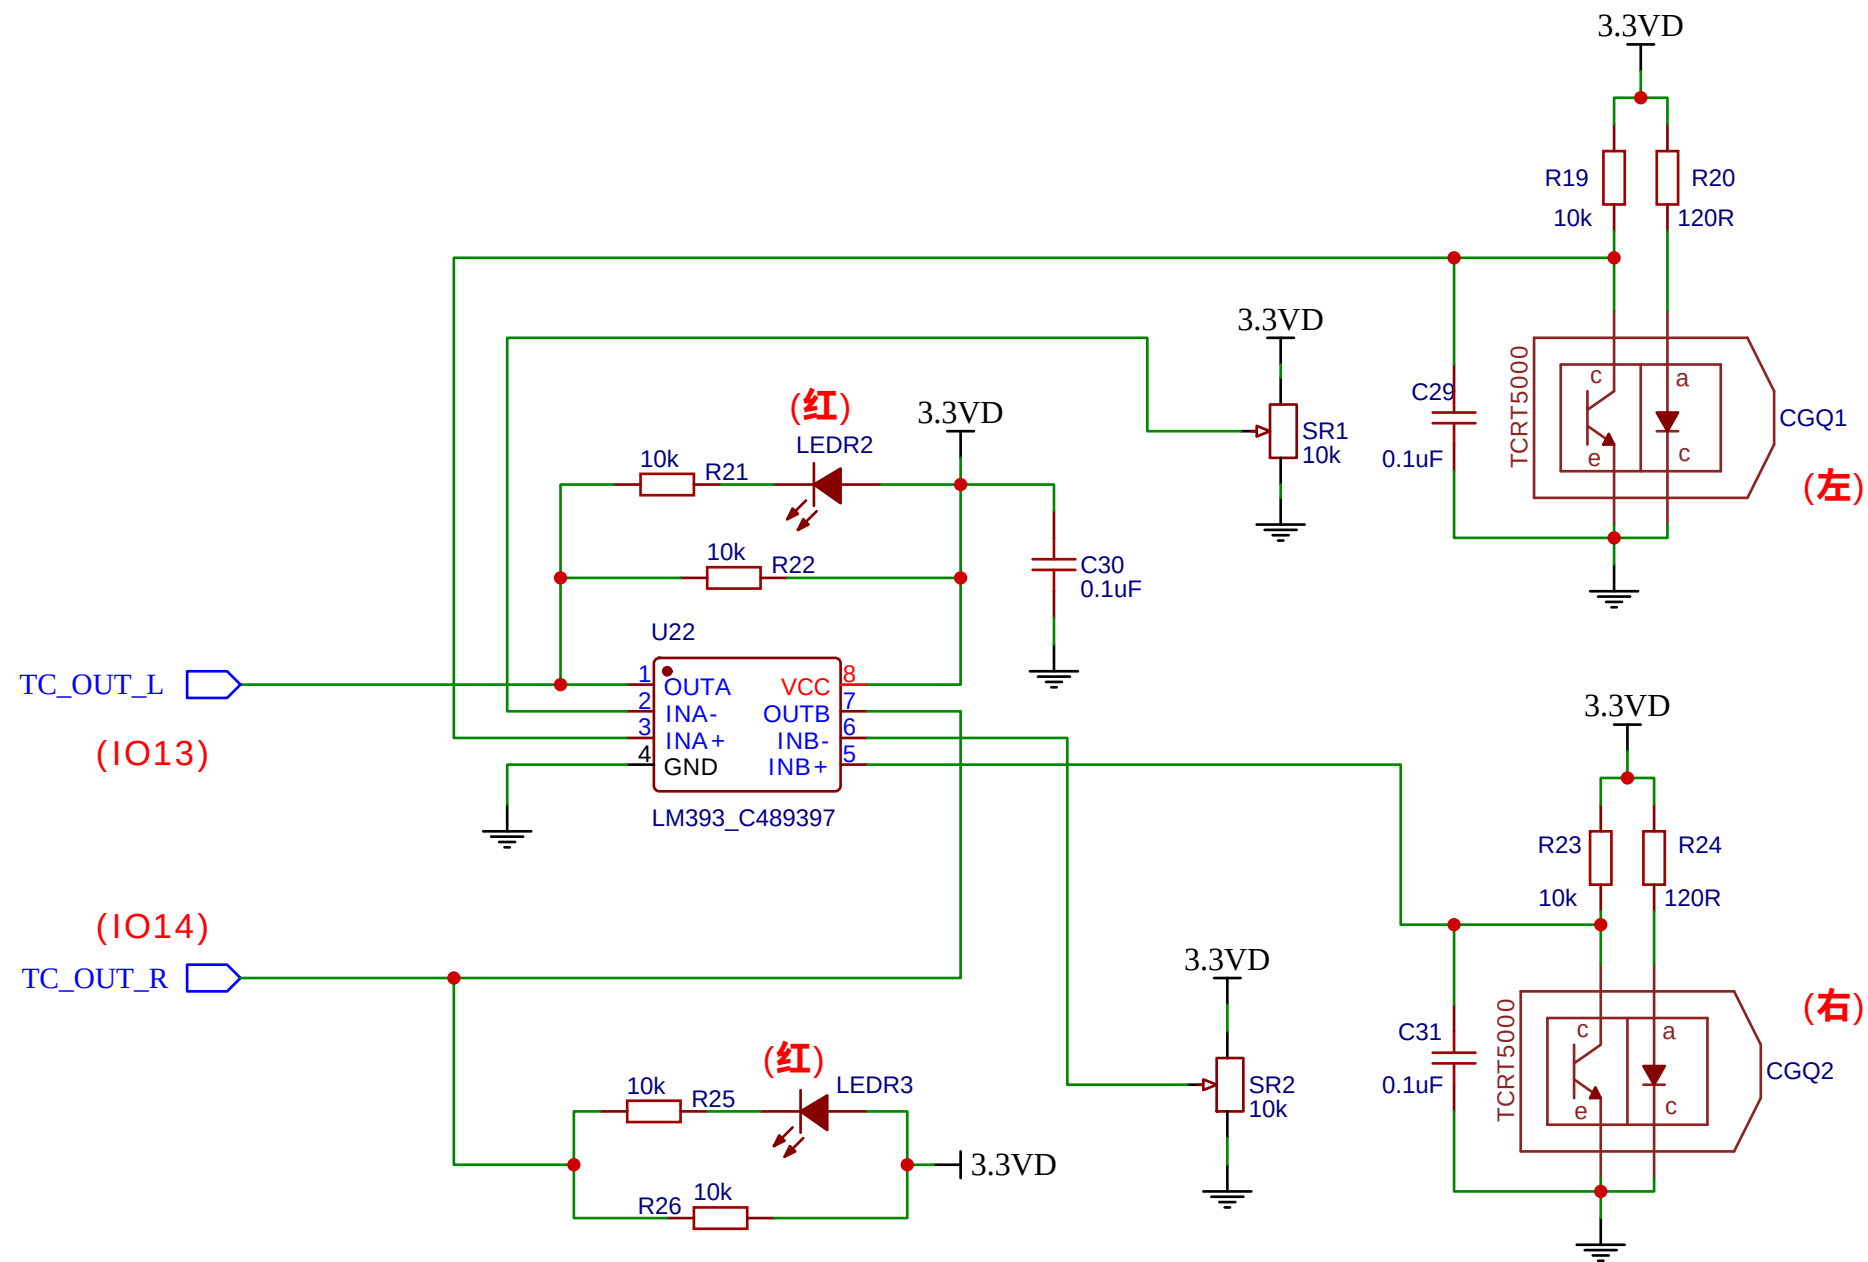

陀螺仪，加速度传感器

IIC上拉电阻

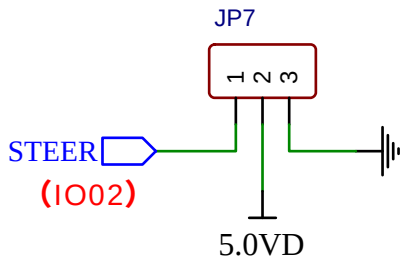

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

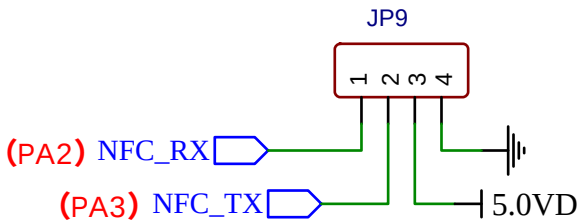

双路红外巡线传感器

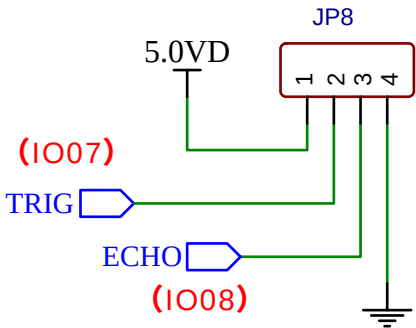

|            |               |                  |
|------------|---------------|------------------|
| TITLE: 原理图 |               | REV: 1.0         |
|            | Company: QST  | Sheet: 1/1       |
|            | Date: 2023-11 | Drawn By: WALT.Y |

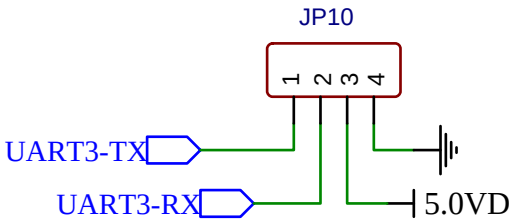

舵机接口

NFC

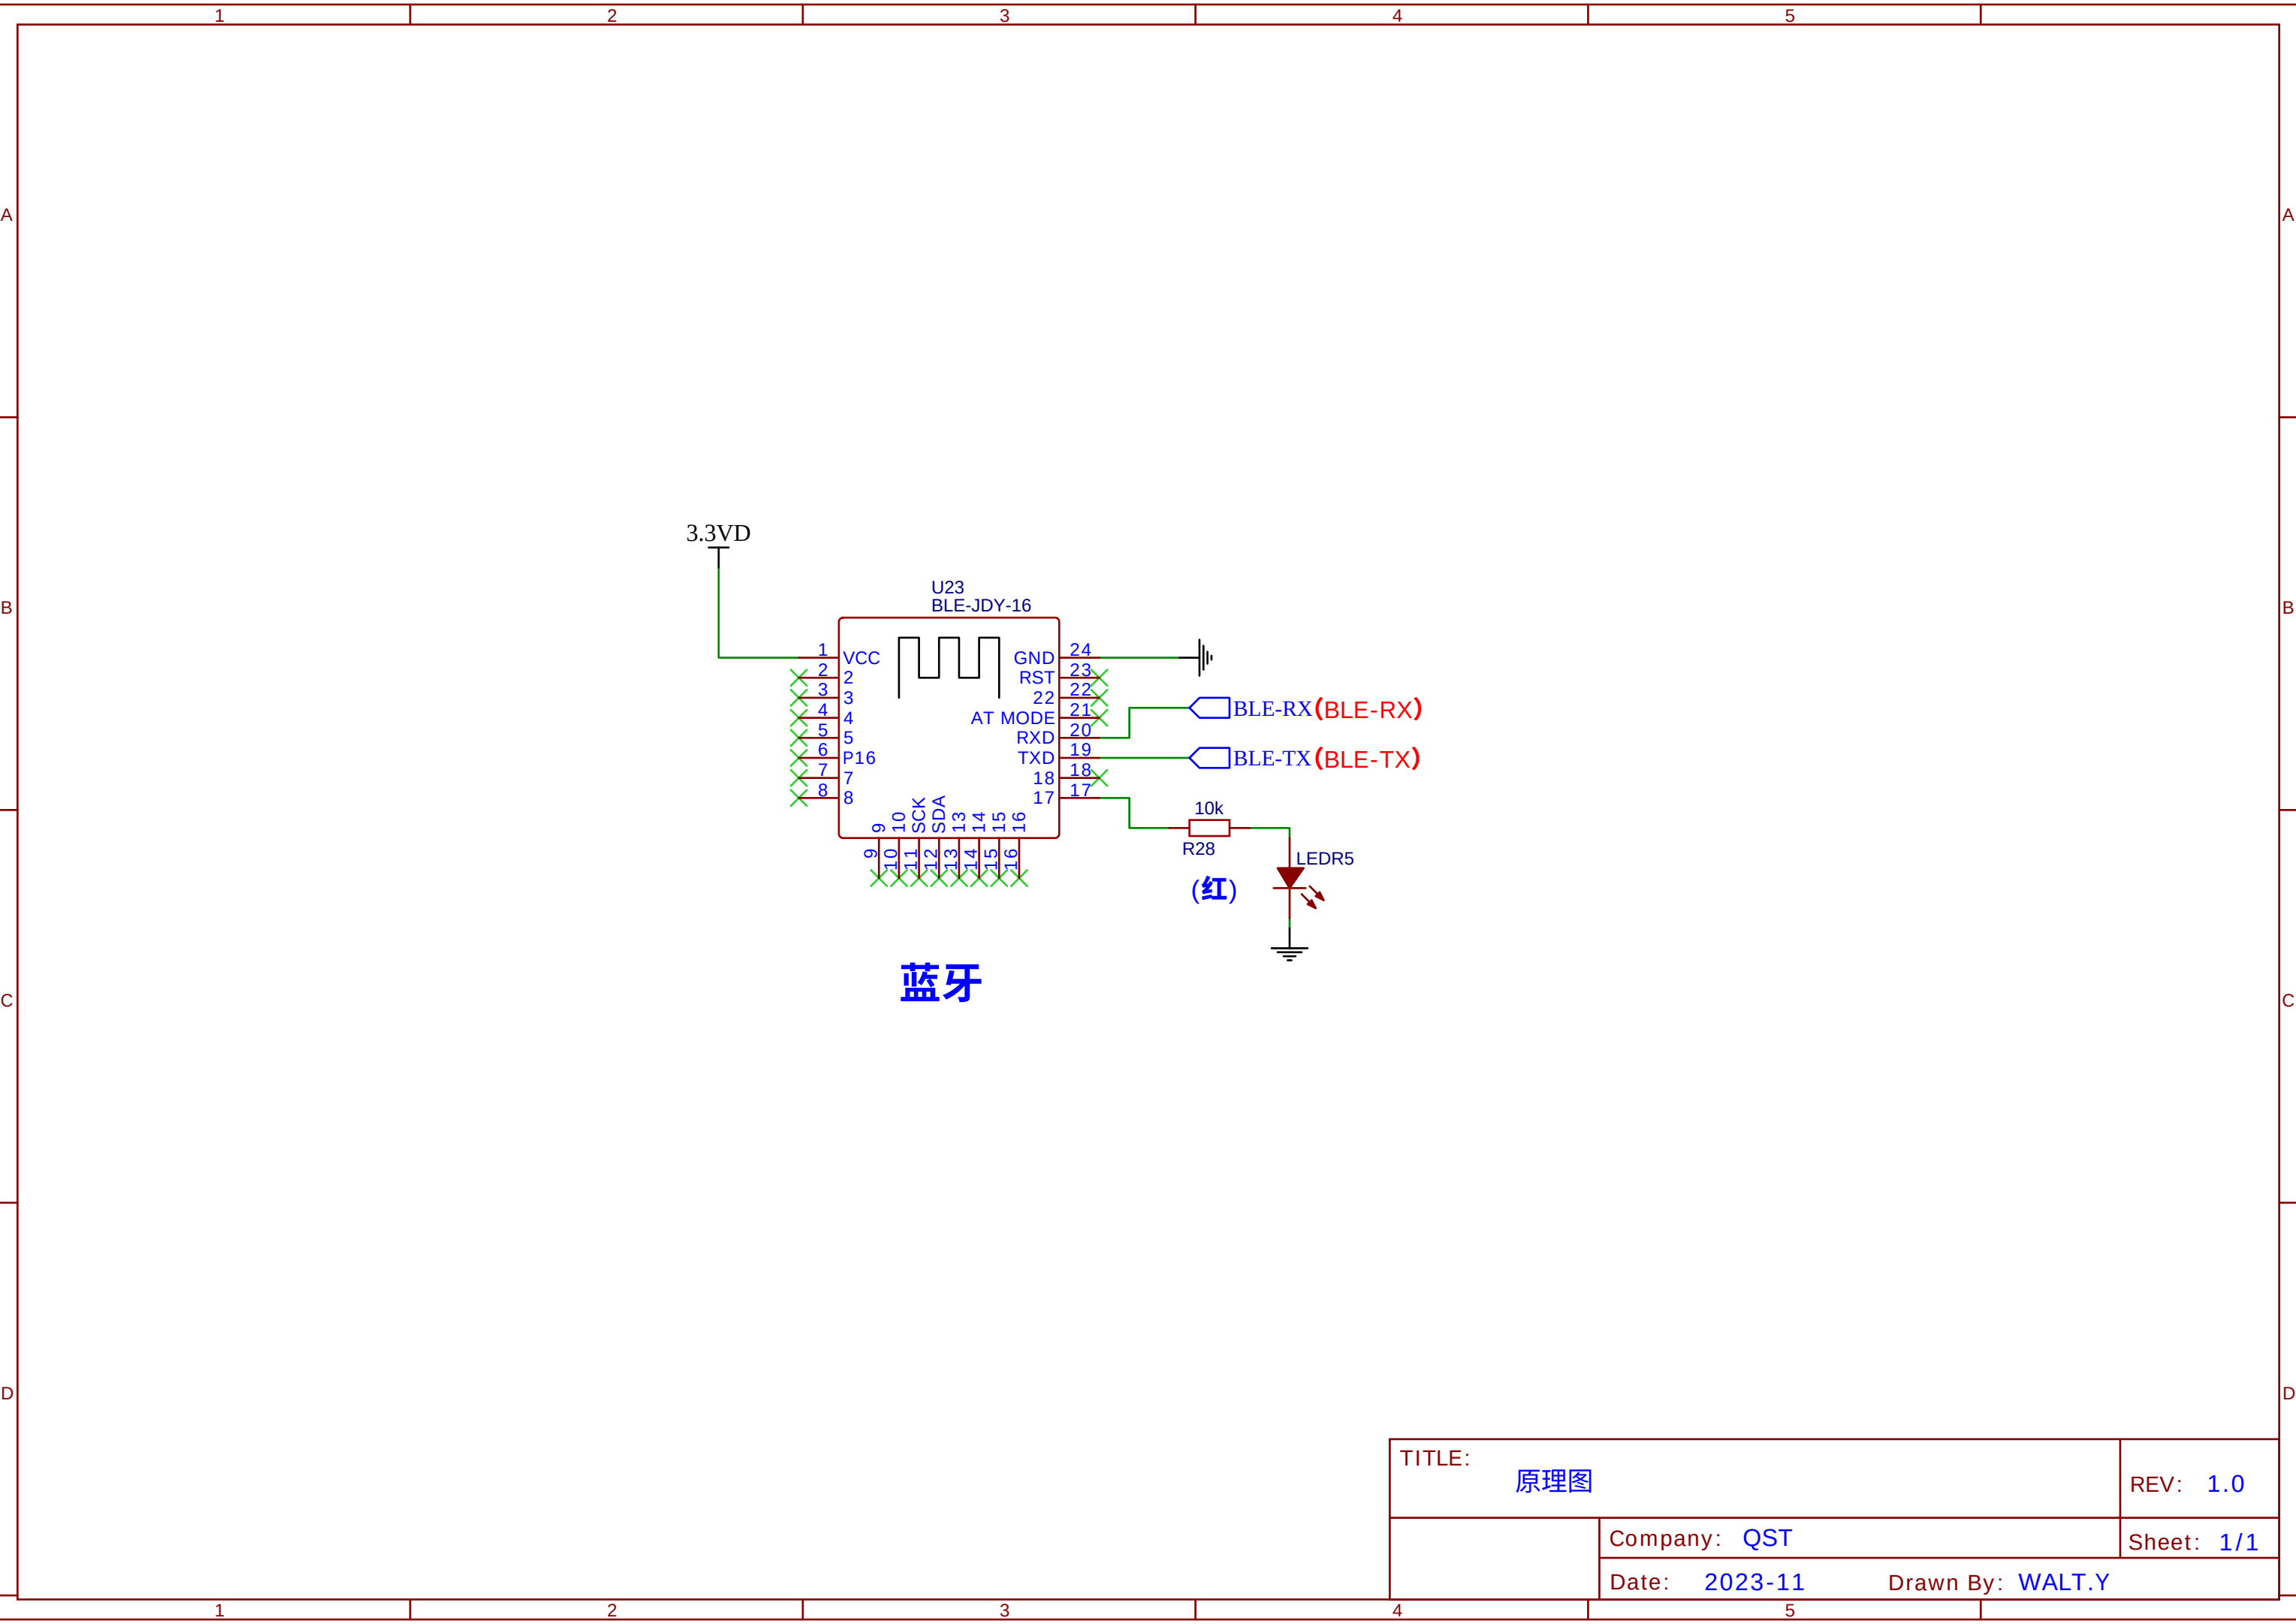

超声波插座

串口输出

|               |  |                  |
|---------------|--|------------------|
| TITLE: 原理图    |  | REV: 1.0         |
